

Vacancies and Life-Long Career Opportunities for Educational Technology Officers

The present Aflon Academy that was established in January 2005, is now being transformed into Aflon Digital Academy (ADA) and relocated to its permanent site. A 6 Hectares of Land—Plot No. CP 9, 11, & 12, Cadastral Zone AA2, Sector Centre B, Kuje; located just 5 kilometre off the Abuja to Airport expressway, adjoining the Kuje Trans-National Market, is being developed.

Aflon Digital Academy is intended to be a Model Basic Education (Pre—Primary, Primary 1—6 and JSS 1—3) School for the application of Information and Computer Technology (ICT) in instructional delivery and school management.

We intend to educate children and equip them with a very rich suite of vocational skills in the areas of Computer Graphics, Web Graphics and Multimedia Design, Electronic and Engineering Repairs. **Each student will have a Personal Computer on his or her desk—the classroom and the delivery of all learning interactions will be managed digitally.** The ADC will in essence produce graduants equipped with Technology and Technological skills that will stand them in good stead as they proceed further up the ladder of life.

We are Looking for a Knowledge—Driven Team

The Management of ADA is about to form a Knowledge—Driven Team to spearhead its quest for a new kind of Basic Education School. The Team is being proposed to be led by **GRADUATES with EDUCATION DEGREES** who must have achieved a minimum of **Second Class Honours (Upper Division) in Computer Technology and all other Basic and Applied Sciences, Language and Arts,**

Commerce and Social Sciences. Those with **Second Class Honours (Lower Division)** must have **Additional Qualifications/Certifications** and or demonstrable competences in specific skill sets that are cognately relevant to the mission of our institution. **Possession of Professional teaching qualifications—PGDE will of course be of immense advantage for B.A/B.Sc Degree Holders.**

Aflon Digital Academy, Kuje will be the first of its kind in Nigeria in many respects:

- Whereas, existing schools merely provide a one room computer laboratory, ADA will place computers with Internet connectivity in every classroom.
- We intend to provide boarding facilities starting from Primary 4. This will cater to the special needs of parents and guardian whose working and living conditions might make boarding option quite a necessity.
- Our less than 10 minutes location from the International Airport will create a special attraction to Nigerian in the Diaspora, who definitely will want Nigerian-based early education for their children
- The official school hours will be 8.00 am to 5.30 pm, with a 2 hour break from 1.00—3.00 pm for school prepared lunch and recreation. The extended closing time will afford parents of day students the opportunity of closing at work before end of day pick-up of their wards.
